SUMMARY

As a Computer Science and Engineering student, I am passionate about crafting engaging and user-friendly web experiences. With a keen eye for design and a deep understanding of modern web technologies, I enjoy turning complex problems into elegant solutions. My journey in web development, software development, and data structures & algorithms (DSA) has been fueled by curiosity and a desire to create seamless digital experiences that leave a lasting impression. I thrive on solving challenges and building scalable, efficient systems that combine creativity with technical expertise.

EDUCATION

Chandigarh University

B.E CSE

Mohali,Punjab

2022 - 2026
